

# Demystifying the GPD200-1212V200Ah GP Battery: Powerhouse of Industrial Energy Solutions

Demystifying the GPD200-1212V200Ah GP Battery: Powerhouse of Industrial Energy Solutions

## When Reliability Meets Innovation

Ever wondered what keeps critical systems humming during blackouts? The GPD200-1212V200Ah GP Battery stands as an unsung hero in power continuity. This valve-regulated lead-acid (VRLA) battery isn't your average power source - it's the Swiss Army knife of industrial energy storage, combining military-grade durability with smart maintenance features.

## Technical Specifications That Impress

Voltage: 12V DC with  $\pm 1\%$  stability

Capacity: 200Ah @ 25°C (77°F)

Cycle Life: 1,200+ cycles at 50% DOD

Self-Discharge:
