

JYHY24000G Huanyu Battery: Powering the Future of Energy Storage Solutions

JYHY24000G Huanyu Battery: Powering the Future of Energy Storage Solutions

Why This Industrial-Grade Battery Is Making Waves

Imagine a battery that laughs in the face of extreme temperatures while delivering 24,000Ah capacity - that's the JYHY24000G Huanyu Battery for you. Like the Swiss Army knife of energy storage, this beast combines industrial muscle with smart energy management, currently electrifying sectors from telecom towers to offshore wind farms.

Technical Specifications That Redefine Reliability

Voltage range: 2V-12V modular configuration

Cycle life: 4,500+ cycles at 80% DoD

Operating range: -40°C to 60°C performance stability

Self-discharge rate:
